

SOLO BIG SWEEP 2006 PRESS RELEASE

Last year....'06

Despite the cold rainy weather. SOLO (Save Our Lake Organization) and some brave volunteers showed up to clean up trash for NC Big Sweep. We tackled 2 islands on Lake Norman covering about 5 to 6 miles of shoreline . Says Jill Feldmeyer Pres. of SOLO. There were 11 volunteers mostly from the Denver area. We hauled in almost 1,000 pounds of trash ranging from grills to over 500 beer bottles, even a Belks shopping cart! Just think 1,000 pounds of trash in 6 miles of shore-line.....scary...

“Why don’t people take their trash after visiting an island?” “I just don’t understand the reasoning” says Tammy Le Grand a 1st time volunteer for Big Sweep. “We need to come together on this trash thing says Jill Feldmeyer it’s really getting ridiculous!

This year the NC Big sweep will be Saturday October 6th 2007, WE NEED VOLUNTEERS WITH BOATS AND VOLUNTEERS TO JUST HELP PICK UP TRASH ON ISLANDS ON LAKE NORMAN. Please help protect our great lake!
